

Welcome to HUS Medical Imaging Center for general radiography examinations!

Skeletal, chest and dental X-rays

When you have got a referral to HUS Medical Imaging Center you can freely choose which X-ray unit to visit for skeletal, chest or dentition X-rays. Look for a X-ray unit and exceptions to opening hours: www.hus.fi/hae-rontgenia

■ = Examinations without appointment booking

A = Book an appointment online ajanvaraus.hus.fi or by phone. All appointments for children only by phone. All examinations of children's mechanical axis are performed at the New Children's Hospital.
